

Opt-Out Option

Step 1. Go to emerald imaging.com

Log in with your Click & Safe Code at bottom of card.

Step 2.

View and purchase photos

Verify and access your Click-and-Safe photo

Choose 'Enter Click-and-Safe'

Step 3.

Your photographer has made your photo available online if needed in case of an emergency.

I would like this photograph to be part of the Click-and-Safe program. By proceeding to the photograph, you are agreeing to Click-and-Safe's [Terms of Service](#).

Verify and View Photo

To opt-out of the ClickandSafe program, click the "Opt Out and Delete Photo" button below. Your child's photo will be deleted from the website and you will no longer have the ability to order or retrieve this photo from the Click-and-Safe website in case of emergency.

Opt Out and Delete Photo

Mouse over a graphic to read more information about the Click-and-Safe program. Click [here](#) to read more information about the Click-and-Safe program in a printer friendly format.

Choose 'Opt Out and Delete Photo'
Your image will be removed from server.

Step 4.

Emerald Imaging

Your photo has been removed from our server.

[Return](#)

Your image is now deleted and cannot be accessed through the Click and Safe Program
